

CL-6W 6 WATT LOUDSPEAKER

DS-180 Issue 02

Thank you for your interest in Ziztel - we are a UK based manufacturer of PAGA and Intercom products. Our systems are mainly designed for use in the Military , Marine and Hazardous Oil, Gas / Petrochemical industries.

The CL-6W is a general purpose safe area ceiling loudspeaker which is specifically designed for use in mission critical voice and alarm applications.

The unit is for use on internal / indoor applications only.

CL-6W INTERNAL CEILING SPEAKER

The CL-6W is a high performance safe area flush fit ceiling PAGA loudspeaker designed to provide reliable service in a voice / alarm broadcast application.

The unit is supplied with integral 100 Volt line transformer (70 volt line to order) and can also be delivered in low impedance execution. A back box is fitted to both maintain ceiling integrity and also to allow convenient field cable gland entry.
